We will do our best to work around food allergies if we are made aware of them in advance. The expense listed above is per adult or child for the entire conference. We realize these are expensive plans, especially for a large family, but we strive to keep cost low without compromising quality. The "all meals" option for an adult covers 9 meals for an average cost of \$10 per meal. Our expense includes the catering (both food and staff), linens, clean up, etc.

*Child rates are for ages 4 - 10; children 3 and under are free.
